### BRIEF HISTORY

Sri Padmavathi Women's College at Tirupati was established by the Tirumala Tirupati Devasthanams in 1952 to serve the educational needs of women students of Tirupati and its surrounding areas. It started functioning from 2nd July 1952 as a second grade college (Offering Intermediate courses only) under affiliation to Madras University. With the formation of Andhra State the College was affiliated to Andhra University in 1954. Consequently to the founding of Sri Venkateswara University, the college was brought under affiliation to S.V. University and upgraded to a Degree College in 1956. It continued to be a composite college offering PUC/Intermediate and Degree courses until it was bifurcated into S.P.W. Degree College and S.P.W. Junior College in 1995. The Junior College subsequently moved to its own campus.

The College was first named "Sri Venkateswara College for Women". As there were already two colleges named after the Lord of the Seven Hills in Tirupati and to avoid confusion, the college was named after the Lord's consort at Tiruchanoor, Sri Padmavathi Ammavaru. After the bifurcation of the composite college, S.P.W. Degree College and S.P.W. Junior College have become two independent institutions.

The college which had eight teachers and 35 students at the time of its inauguration on 11-08-52 has over these years emerged as a premier women's institution in Andhra Pradesh with about 42 faculty members on regular basis and 48 members on contract basis offering instruction in as many as twenty five subjects of study to more than 2500 students. It offers 3 year Degree Program in CBCS pattern leading to B.A., B.Com., B.Sc., & B.Sc. Home Science along with 3 P.G. Programs of S.V. University.

## COLLEGE FACILITIES

### Buildings :

In its beautiful and well developed campus S.P.W.Degree & P.G. College has imposing permanent structures which bear eloquent testimony to the desire and endeavour of the Tirumala Tirupati Devasthanams to make this college a show piece among its educational institutions. The main building of the college accommodates all the class rooms, staff rooms, laboratories, administrative offices and Rajeswari Moorthy Seminar Hall. The college has also a number of extension units such as N.S.S., N.C.C. and Scouts. The beautiful Home Management Cottage is a part of the Dept. of Home Science and the students of this Dept. live in it for a short time when they learn the art and science of house-keeping and domestic budgeting.

The concrete structure in this college gain their charm from the tall-grown green trees and well-laid and maintained gardens and lawns in this campus. ### Hostel :

One of the main attractions of S.P.W.Degree & P.G. College is the hostel facility for its students who come from far of places. The T.T.D. Management is liberal in granting funds for expanding and improving this facility. A new block Harini with capacity of 150 Nos., is started during 2014-2015. Six blocks of residence – Sri Devi, Bhudevi, Srinivasa, Gandhi, Vakula and Harini accommodate about 2,400 students. Most of the rooms in these halls have attached bath. Each one has a reading room, a library and a lounge for the visitors. T.T.D. is magnanimous to provide meals at free of cost. Besides, the hostel has, over these many years, earned the appreciation and confidence of the parents who often express that their children are safe when they are in the hostel.

The hostel is managed by an advisory committee consisting of the Joint Executive Officer, TTD, the Devasthanams Education Officer, the Principal who is the Chief Warden, Warden, Deputy Wardens, and student representatives. Sub-committees comprising students mainly assist in the management of the hostel.
